## Summer 2022

Hi everyone!

It's been a huge few months. Events. Campaigns. Strategising - it's all happening! We hope you enjoy this summer summary. Get involved in whatever way you can.

### News

#### **Makers Market 2022**

It was a huge success with 13 makers displaying their local, low waste & sustainable items, as well as art, craft & cooking demonstrations. We can't wait to do it again next year!

### Campaigns

#### **2 Officers + \$2 Million = 4 Our Future**

We're calling for 2 officers + \$2 million for climate action in the 2023/24 Council budget. But we need your help. Let us know if you can help collect signatures or host a sign on your fence, and sign, support & share our online petition => [www.change.org/4OurFuture](http://www.change.org/4OurFuture)

### Events

#### **End Of Year Party**

Come along to hear what we've been up to and share your dreams for 2023. Some of our partner groups will also be there so put faces to names and make meaningful connections.

- 12pm - 2pm on Sunday 4th December
- Emerald Street Community Hall (1 Emerald St, Essendon West)
- Bring a plate of food to share. Some drinks provided.
- Facebook event [here](#)

## **What's on for 2023**

We're working on an event calendar for next year. Regular events will be:

- Community Clean Ups => 1st Sun each month (Feb-Nov). Location TBA
- Sustain.A.Valley => 3rd Sat each month (Feb-Nov). 78 St Leonards Rd, Ascot Vale

## Committee

### **Treasurer Needed**

We're looking for someone to work with our current bookkeeper & report back once a quarter. Let us know if you've got the skills and want to support our vision.

## Connect

### **Get Involved**

Yours Sustainably,

**Moonee Valley Sustainability**

*Let's Be The Change*

*We respectfully acknowledge the traditional custodians of Moonee Valley land, the Wurundjeri Woiwurrung people of the Kulin Nation, their spirits, ancestors, elders and community members past and present.*

*We also acknowledge the urgent need to reduce emissions by 75% by 2030 and to net zero by 2035 to play our part in limiting global temperature rise to near 1.5°C.*
